Dear Friends,

Enjoying the delightful weather changes as well as looking forward to celebrating the beautiful reflective seasons of Thanksgiving and Christmas, everyone at St. Joseph's Nursing Home is reminded of the significant role each of you play in the special meanings of these two holidays.

Paraphrasing the words of a Thanksgiving prayer which speaks of "gifts of love being countless and goodness infinite", we immediately think of your loving friendship. Whatever the occasion or the need, your "partnership" with St. Joseph's shows itself in a strong effective manner, And for that we are very appreciative and thankful.

As 2022 draws near, we anticipate the re-start of the final phase of our renovation project. Drawings and all pertinent documents have been filled with the appropriate Baltimore County agencies and a hearing has been scheduled in the near future concerning our plans. Please continue to keep the project and us in your prayers.

We are also pleased to announce that our golf tournament hopefully will be held in the spring of next year. More details will follow, so watch your mail!

Sending our warm wishes and prayers to you and your loved ones for plentiful blessings and joy at Thanksgiving and Christmas as our Heavenly Father gifts us all with His Son and our Lord Jesus and each other. Stay safe and well!!

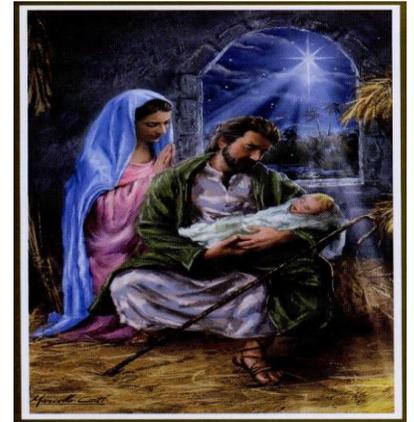

With gratitude and prayers,

Christmas is Coming!

We have been so blessed to have been able to share daily Mass with our residents. We are unsure what restrictions will be for family members to share in our Christmas Mass celebration. We will keep all of you up to date the closer we get to the Holiday.

OUR RESIDENTS

Happy 102nd Birthday, Irma!

We enjoy all of our residents at St. Joseph's! We celebrated one special birthday on October 12th. Irma turned 102 and she has been a part of our community since 2015. Irma is a Mother, a Grandmother, a Great Grandmother, and a Great, Great, Grandmother. Not only is she loved by her family, she surely is loved by her family at St. Joseph's! Pictured above is Irma's family, Sr. Krystyna, and Yvette on Irma's special day! Happy Birthday to a great lady.

Our very own Queen!

This photo was taken at a dinner in honor of Kay V. for collecting the most donations 25 consecutive years in a row for the Alzheimer's Association in the state of West Virginia. St. Paul Lutheran Church located in Morgantown, West Virginia used this photo for their advertisement for the 2021 October "Walk to end Alzheimer's" that the church sponsors every year.

Thank You!

We are so appreciative of all the generosity of our community, and the support you have given to St. Joseph's over the years. We ask that you think of us this upcoming Holiday Season so that we may continue our Ministry.

We thank you on behalf of our residents who continue to benefit from your support!
