## Easter 2019

## The Renovation

The Sisters are all thankful for your support and patience as we steadily renovate the original wing. Phase II renovations, located on the right side of the hallway headed towards the chapel, will be completed this summer. Phase III will be begin immediately following, which will update the rooms on the opposite side of the same hallway.

Dear Friends,

With much pleasure, we are pleased to announce that our **14th annual golf tournament** will be held on Wednesday, September 11, 2019 at the Woodlands Golf Course. Please note the date change---there was a calendar conflict with several of our attendees and our usual last Tuesday of September date. Our tee time will be at 8:00 a.m.

Registration forms as well as sponsorship opportunities are enclosed. Please start planning on your foursome and inviting others to join us for this very enjoyable event. For those non-golfers, our traditional 50/50 raffle is under way and will be available up to the actual day of the tournament. Tee signs and memorable mention in the program booklet are another means of honoring your loved ones. Check out our 'Golf Tournament' page on our website at [http://www.stjosephs.net/page/golf\\_tournament\\_2019](http://www.stjosephs.net/page/golf_tournament_2019) if you prefer to register for the tournament online. We also accept online donations for the event directly from our website at <http://www.stjosephs.net/donate-now>.

We continue to cherish the friendships we have with everyone and the support each of you have provided us, as our mission would not be as successful or vibrant without you. We look forward to seeing our old friends and new friends in September! May our Almighty God continue to bless and protect you with His loving kindness now and always.

Should you need additional information, you may contact either Sister Carol or Frances at 410-747-0026. See you on the golf course!

Sincerely yours,

*Sister Krystyna Throgmohr*

## Residents and Volunteers

Geri (top right) ensures the residents enjoy all of the special holidays. Geri lovingly made flower barrettes for all of the ladies on Mother's Day. Miss Jeanne (standing center) was also a longtime volunteer prior to becoming a resident!

Our Residents enjoy a vibrant life here at St. Joseph's, and it is often made possible through the dedication of all of our volunteers. Many who walk through our doors always comment on feeling something special, or most likely the Lord's presence. And when you walk through our doors, we become friends and family. Geri (top right) began volunteering with us while her mother, Florence, was a resident here. Geri and her husband, Don, have continued to volunteer at the nursing home even though her mother was called to the Lord, and we wouldn't be the same without their continual dedication and friendship.

Joe (crowning Mary), who works in the Dietary Department, also volunteers his time arranging the music selection for Masses, and serves as a sacramental minister for the chapel. Eva, one of our student volunteers, had the honor to serve as the May Queen.

## Employee Spotlight

**Lashawntae**  
**Geriatric Nursing Assistant (GNA)**

**What drew you to the long term care profession?** I often tagged along to work with my mom, who was a GNA, and saw how much she helped the elderly she cared for. Just like I felt the joy as a child, it still brings me joy to make a difference in the lives of the elderly.

**What do you find most rewarding?** I like seeing a smile on their faces, knowing that the care I provide each of them has made them happy.

**What are your goals and pursuits within the nursing profession?** I would like to continue working with the elderly, children, people with disabilities, or anyone who is in need of specialized care because I enjoy putting a smile on each individual face. As for my education, I want to continue in the medical field and go to nursing school, so I can gain more knowledge when it comes to the diversity among people and cultures.

## Conversation with Sr. Danuta (Donna), American Congregation Provincial Superior

**How many years ago did you take your vows to your religious vocation?**

I entered the Congregation in 1989, completed my initial formation and professed my first religious profession in 1992. Wow, it's been 27 years ago.

**What are your duties as the provincial superior?** A Provincial Superior is appointed for a term of three years. I am principally responsible for spiritual and apostolic vitality of the province. Other obligations include representing our community before ecclesiastical and civil authorities, administration of the Houses, and visiting local communities. Simply being available and at the service to the Sisters.

**What is your biggest challenge to taking on this calling?** As a religious Sister, I repeatedly ask myself: Do I seek and fulfill God's Will, His purpose for my life? Everyday tasks create various challenges. Facing trying people or situations deepen my trust, make me a better human being and teach me to rely on God's mercy.

**What is your biggest joy to taking on this calling?**

There are so many rewarding simple moments, such as sharing community life with my Sisters or touching the lives of other people I have met. Nonetheless, the greatest joy is awareness that no matter what's going to transpire, God's presence and love is always with me.
